A Practical Guide to Therapeutic Work with Asylum Seekers ...

An accessible but thought provoking combination of background context, 'theory' and practical exercises, I felt safely led step-by-step through the chapters by a wise grounded guide. The importance and significance of THERAPEUTIC Shamanism struck a particular chord with me, and the book raises/addresses some issues and challenges about what is ...

The Shamanic Journey: A Practical Guide to Therapeutic ...

By building upon the work of Michael Harner, author of 1980's classic 'The Way of the Shaman', Francis has created a practical, ethical and experiential guide. It is a ground-breaking and stand-out book on shamanism, written for both complete beginners and for anyone already with experience.
