### **G ...**

*Against Happiness, In Praise of Melancholy* by Eric G. Wilson is a philosophical meditation on today's obsession with happiness, the constant fight to eradicate any trace of sadness or melancholy and any moment of doubt and inner questioning by all means including numbing entertainment, medication, excessive insistence on positive thinking and vilification of blueness. He argues that all these lead to a diluted existence, indeed to a refusal of true existence itself.

landscape and slouched to the darkness—the half-lighted room, the twilight forest, the empty café.

### **Against Happiness Quotes by Eric G. Wilson**

“Against Happiness” is a controversial book, in the context that it ‘glorifies’ melancholy as the source of creativity, and criticizes people for wanting to be constantly happy, even stating that such endeavors might destroy this world. We recommend it to self-help buffs and all those who feel intrigued by this subject.
