**Antonio L Pez Garc A**

Antonio López García (born 6 January 1936) is a Spanish painter and sculptor, known for his realistic style. He is criticized by some art critics for what they consider neo-academism, but praised by others, such as Robert Hughes, who consider him a master realist. His style sometimes is deemed hyperrealistic.

**Antonio López García - Wikipedia**

Antonio López García is the eldest son of a married couple of well-to-do farmers in the Castilian town of Tomelloso, La Mancha, and his house was located on Domecq Street. His early vocation for drawing, as well as the influence of his uncle, the painter Antonio López Torres, made up his decision to devote himself to painting.

**Antonio López García - Wikipedia, la enciclopedia libre**

It is impossible to describe Antonio López García simply as a painter in the “realist” school. His masterful paintings of the prosaic, familiar places of his world and of the family and friends comprising it reveal an unusual sensitivity to his subject.

**Antonio López García | Museum of Fine Arts, Boston**

In the words of Antonio López García, “It is very difficult to know why we paint, yet this is not something I need to know, nor does it really concern me. There is something basic for everyone to know: what compels us to paint is emotion. And that emotion must come out in one way or another, even if the painting is only half finished.
