Singapore has definitely inculcated a 'kiasu' culture into me where my mind has categorised all my actions into 2 groups: what is 'productive' towards my growth in academics and what is not. I tend to feel immense guilt whilst watching Netflix, munching on snacks and scrolling through social media, and the guilt increases exponentially with the ...

(2.) The most cliché and overused line: exams do NOT define you. Please. If you fail an exam, it does not mean you're dumb. It does not mean you're not good enough. It does not mean that your friend is smarter than you. It simply means that the score you see is not half of the total score on the paper. That is all it is. A mere number.
