How to study for the final exam. Read each chapter again. Identify any topics that you do not understand and make note of them; Ask Mr. Hyman for help on topics you don't understand; If there are problems suggested below, then work all of them (don't just look at them) Revisit all the tests and quizzes from the semester.

### **How to study for the final exam - WLWV Web Development Server**

Course Textbook. Conceptual Physics, Ninth Edition, by Paul G. Hewitt, Addison Wesley, San Francisco, 2001, is required. for the course.. Though the company has switched to a new edition, we'll stick with the old one so used books are available. The workbook that accompanies the textbook is not required for this course. I don't know if it is useful.
