Countryfile Adams Farm My Life

Adam gives a detailed, but very interesting account of his life on the farm in the Cotswold. Not only this he gives background information and detail on the decisions needed to be made in running not only a country park, rare breed animals, but a viable arable farm. This arable farm is the back bone of his income.

Adam Henson - Wikipedia

When we were young, my father gave all four of us kids a different breed of animal. His plan was to pass on his life-long passion for rare breed conservation. As always, Dad proved himself to be a wise man. His plan worked, as we all developed a real attachment to the beasts we called our own.

Adam Henson's Bio - wiki, affair, married, partner, age ...

Countryfile presenter Helen Skelton is known for her love of animals – be it on the farm or in her own home. While talking to Helen – who is currently working with Smart Energy GB to encourage families to take part in energy-free activities this summer and get a smart meter installed to help monitor and manage their household energy consumption – we asked about her one true love, dogs.
