CREDIT CONTROL & DEBT COLLECTION POLICY

A solid and defined credit control policy is the foundation stone for your credit control function. We've outlined the five key steps for creating this policy and even provided a template - so you get paid more effectively. Step 1. Define your internal processes, roles and responsibilities. The starting point for your credit control policy is to sit down as a business and decide on your internal credit control processes, how they will be systemised and who in the team does what.
