"By positing that cross-cultural management is a form of knowledge management, he broadens and reinvigorates the entire subject area at a stroke. Researchers, practitioners and consultants are supplied with an array of new concepts, models and insights and, to some extent, a new language - all of which have been long overdue.

Cross-Cultural Management: A Knowledge Management

Cross-cultural management attempts to challenge existing ways of thinking about the management of multiple cultures and tries to define a new conceptual model. I felt the author succeeded only in part, and in part he complicated the subject unnecessary (e.g. with many analogies and introduction of new terms by overriding old words).
