Kit houses, also known as mill-cut houses, pre-cut houses, ready-cut houses, mail order homes, or catalog homes, were a type of housing that was popular in the United States, Canada, and elsewhere in the first half of the 20th century. Kit house manufacturers sold houses in many different plans and styles, from simple bungalows to imposing Colonials, and supplied at a fixed price all materials needed for construction of a particular house, but typically excluding brick, concrete, or masonry ...

Putz houses often had odd towers added to one side. This conservatory can be added to any of the houses. You can also cut out the sides to make a grand covered entrance or porte cochere for your house. To assemble the conservatory, cut out the main piece and fold it along the center line of the top crenelated. If you want, you can use a craft knife to cut out the white sections on the crenellations to make them more realistic.
