If you are requesting a service, use the calendar icon () to choose a start date and end date.Add a supplier to your ad hoc request: To order from a preferred supplier for the given category, choose one of the suppliers under Recommended suppliers for you.; Click View all suppliers to choose a supplier from your organization's list of suppliers. You can search by supplier name or supplier keyword.

SAP Help Portal
Activities. Transferring Requirements from Sales Orders . The following applies to both checking methods: In the standard system, checking group 01 is set up so that daily requirements are passed on to production. This means that there is only one line visible in the stock/requirements list (as shown above) that contains the cumulated quantity for one day, rather than the individual sales orders.
