For clarity, a Shaman is a religious practitioner who is believed to interact with a spirit world through altered states of consciousness, electing to direct these spirits or spiritual energies into the physical world for healing. Jonathan Hammond is a Shaman and in this book focuses on Huna – the esoteric knowledge and philosophy of Hawaii.

The Shaman's Mind: Huna Wisdom to Change Your Life ...

In traditional shamanic practice, one enters an altered state – often by using drums or rattles to create a sound field that changes consciousness. This altered state, called a shamanic journey, is used to access help and wisdom from within. In the journey, the shaman or practitioner encounters helping spirits or guides.

Shamanic Healing: A Journey of Reconnection - Beth Terrence

The shaman might ask their helper spirits to invoke shamanic healing by pulling 'power' from the sufferer's oversoul as well as retrieving lost spirit guides and animals. People who have been through a life-altering trauma, whether mental or physical, may have lost a part of their soul or damaged their 'spiritual force field'.
