The Distribution management handbook (Book, 1994 ...

Description of the book "The Handbook of Logistics and Distribution Management": 'An original look at this vital subject.' - "Storage Handling Distribution". Logistics and distribution management is now recognised as a major industrial and economic function in its own right. An appreciation of the sheer scope and importance of the subject has led to a new professional approach that concentrates on the logistics function as a whole, as well as on the individual sub-systems.
