The Food Programme is a BBC Radio 4 programme investigating and celebrating good food, founded by Derek Cooper and currently presented by Sheila Dillon. Dillon is the normal presenter of the programme, but the programme is, on occasion, presented by Leyla Kazim and Jaega Wise. The series is produced by Dan Saladino, who also reports for the programme and presents some episodes.

## **The Food Programme - Wikipedia**

The Food Is Fun Programme for Schools has been developed to help schools deliver elements of Food Technology and to promote healthy eating. We believe that in addition to children learning about balanced diets and the mechanics of food we must also communicate the fun of cooking and being able to produce healthy food that is good to eat.
